There are those to tempt me if I'd let 'em
There are times it gets so hard for me
Don't ever make me feel you've left me within
Don't ever make me feel you're not with me

Your sweet love, love, love
I place none above
Your sweet love, love, love
Loving me

Sometimes other ways keep calling to me
And I don't mean to say I'm not strong
But all the strength I have is what you give me
You're the one I've needed all along

Your sweet love, love, love
I place none above
Your sweet love, love, love
Loving me

Your sweet love, love, love
I place none above
Your sweet love, love, love
Loving me
