Searching for everything already there  
For every thought already known  
For everything that ever was, is and will be  
Struggling, oh, how we struggle  
And the more we avoid it, the greater the struggle  
becomes  
Until we realize, the struggle is the blessing

Progressing, changing, evolving, growing  
From a seed to a tree, from a child to a man  
(From a child to a woman)  
From a man to a spirit  
(From a woman to a spirit)  
To a God fulfilling his plan  
Purpose, no words can describe the unnameable

No beginning, no end, just always now  
Marveling at the miracle and all of a sudden  
It all seemed to make sense somehow  
Searching for everything already there  
For every thought already known  
For everything that ever was, is and will be
