Super fabulous the patterns have been uplifted  
Smoke a chalice with the maddest and the most  
spliffed  
Turn the alphabet to calculus and flow swiftly  
See the matter of the fact is that I'm so gifted  
Due payer you do say-a  
Behold a terra formin in a toupee  
A true player who moves layers of earth  
Showin you are officially ridin with the crusaders

I go hawaiian on an island in a phat tepee  
Then down in colin for some dining in a black three  
piece  
Im intertwining and aliging with a mack thesis  
The tongue of iron rule the lion of the rap species  
I go abominable all up in you snow igloo

Super fabulous the patterns have been updated  
Wanna battle you'll be baffled at the stuff stated  
Drowning in the shallow waters of the rough raging  
Verbal canoe with no paddle heading up state  
I got a home made of chrome got an iron maiden  
Etchin poems in the stone with a wire cable  
Im the lone wolf who don't condone violatin  
And when it's on im leavin domes steady vibrating

Super fabulous the patterns have been upgraded  
Triple stamina commando get your hut raided  
Couldnt handle it you panicked and your luck faded  
Keep on yappin out your trap and ima duck tape it  
See we been doing this since you was in a wet diaper  
Confusing as a rubix cube to the dense cipher  
Intuitive just like confusious in your next life  
Or a new addition of a ludricriously vexed sniper  
Pursuin moving units influence the next writers  
Student you ruin because you're truant before your test  
biter  
Bloomin and movin on in unison  
Consuming the consumer  
And you and your crew'll be implented as 'west siders'

In come the fabulous ones make way for the fabulous  
ones [x4]
