Butterfly why do you want to fly away?
Could I persuade you... you to stay
At least until early June... early June

Only you are my butterfly don't you fly, fly, fly
Only you are my butterfly don't you fly, fly, fly
Only you are my butterfly don't you fly, fly, fly
Only you are my butterfly don't you fly, fly, fly

Butterfly could you wait another day
There's so much I wanna say
So don't you leave so soon... don't leave so soon

Only you are my butterfly don't you fly, fly, fly
Only you are my butterfly don't you fly, fly, fly
Only you are my butterfly don't you fly, fly, fly
Only you are my butterfly don't you fly, fly, fly

Butterfly I knew, I knew, I knew, you'd have to go
But I'll miss you, I'll miss you so
So come again real soon
I'll be looking for you real soon

Float away my little butterfly, fly high, high, high
Float away my little butterfly, fly high, high, high
Float away my little butterfly, fly high, high, high
Float away my little butterfly, fly high, high, high

Float away my little butterfly, fly high, high, high
I love you my little butterfly, fly high, high, high
Only you are my butterfly fly high, high, high
Only you are my butterfly fly high, high, high

Float away my little butterfly, fly high, high, high
I love you my little butterfly, fly high, high, high
Only you are my butterfly fly high, high, high
Only you are my butterfly fly high, high, high

Float away my little butterfly, fly high, high, high
I love you my little butterfly, fly high, high, high
Only you are my butterfly fly high, high, high
Only you are my butterfly fly high, high, high

Float away my little butterfly, fly high, high, high
I love you my little butterfly, fly high, high, high
Only you are my butterfly fly high, high, high
