Visit "[Secret Love](#)" on MotoLyrics.com

Once I had a secret love
That lived within the heart of me
All too soon my secret love
Oh, became impatient to be free

So I told a friendly star
The way that dreamers often do
Just how wonderful you are
And why I'm so in love with you?

Now I shout it from the highest hill
Even told the golden daffodils
At last my heart's an open door
And my secret love's no secret anymore

Now I shout it from the highest hill
I Even told the golden daffodils
And lost my heart's an open door

And my secret love's no secret
My secret love's no secret
My secret love's no secret anymore
