Had enough of of this crazy life and
all the pressures this life brings.
Need the peace of the place where I was born
bringing me back to the one I love.

Chorus

thunder road thunder road take me back
to thunder road.
Thunder road thunder road take me back
to thunder road.

guitar break

the air is clean the land untouched
it hasn't changed since I was a boy
I want to live my life with the woman
I love within the peace inside of me

Chorus

thunder road thunder road oh how I miss
ole thunder road thunder road thunder road
thunder road thunder road take me back
to thunder road

give me some of that good old country
living like it was in the good old day's
when your neighbor was your friend and
help was there a smile a wave was all they
cared

thunder road thunder road
take me back to thunder road
thunder road thunder road
take me back to thunder road

back to the place I dearly love
take me back to thunder road
