She's from a small town somewhere upstate  
I guess she's somewhere between 19 and 38  
She stays up all night - she drives too fast  
I say easy baby- baby slow down  
It's never gonna happen  
On Planet D'Rhonda

When we go out dancin' - she's always the star  
When she does the Philly Dog - I gotta have CPR  
She put on a dress last night made of  
Plastic wrap  
It was off the hook - crazy sweet  
What everybody's wearin'  
On Planet D'Rhonda

My friends say Jim - you're on a deadly spree  
They just can't understand that D's my  
Vitamin XYZ

She's always frantic now  
She's never calm  
She's not the type of girl  
You wanna bring home to mom  
But when you need big lovin'  
She never stops  
Yes it's Monkey Time - twenty four - seven  
Then of the planet:  
Planet D'Rhonda

My friends say Jim - you're on a deadly spree  
They just can't understand that D's my  
Vitamin XYZ

Sometimes she's vicious - sometimes rude  
You got to be a mind reader just to guess  
Her mood  
But when you need big lovin'  
She never stops  
Yes it's Monkey Time - twenty four - seven  
Then of the planet:  
Planet D'Rhonda
