Gongggg gonggg (cymbals clash)

(Spoken) When your stomach speaks

You forget your man

When your man speaks

You forget your heart

But when your heart speaks,

You forget everything

(Sings) ohhh, the night was splendid and serene

Yes, when a native girl wiggled right into my dreams

She-ee did a little dance

It seemed so popular

Mmmmm and I loss my heart in darkest Africa

She did a dance

It brought romance

The Elephant Walk

And whoa whoa whoa those swaying hips-a

They put me in a trance

Mmmmm all at once I began to dance

The feeling, yeah yeah yeah yeah

Is paradise I know

For an American boy from the south side of Chicago

Elephant Walk ohhhhhh

La la loud lord lord

Crazy memories

Laud laud laudy laudy Lord

If they knew what I know

There wouldn't be no wars

There only be time for a little girl and boy

Crazy melodies, always haunting me

Crazy melodies, always haunting me-eee
