The word of the Lord is great, eternal
And it shall last from age to age
The word of the Lord is great and powerful
He honors it above His name

The word of the Lord is great, eternal
And it shall last from age to age
The word of the Lord is great and powerful
He honors it above His name

In the beginning was the word
(The first chapter of John)
In the beginning was the word
And the word was God
(John 1 and 1)

In the beginning was the word
The word was God and the word was with God
(Still John 1 and 1)
Oh, but if I go over to Isaiah
What chapter speaks about how His word operates?
(Isaiah 55 and 11)

(What does He say in Isaiah? He said)
So shall My word go forth and it shall not return void
Accomplish that which I please
Prosper in, in that thing

The word of the Lord is great, eternal
And it shall last from age to age
The word of the Lord is great and powerful
He honors it above His name

The words I have spoken, they are spirit and they are
life
(John 6 and 6, decree it)
I am learning active, always watchin' over my word to
promote
(Jeremiah 1 and 12)

So shall My word go forth and it shall not return void
Accomplish that which I please

Prosper in, in that thing

The word of the Lord is great, eternal
And it shall last from age to age
The word of the Lord is great and powerful
He honors it above His name

The word, the word, the word, the word
The word, the word, the word, the word
The word, the word, the word, the word

So shall My word go forth and it shall not return void
Accomplish that which I please
Prosper in, in that thing

The word of the Lord is great and powerful
He honors it above His name
