I could have lost my mind
Wanted to give up so many times
But God was my anchor, a consistent way maker
Yes, I'm grateful God covered me

Well the enemy came against me
Attacked my body and my ministry
But what God ordains, He will maintain
I'm grateful He covered me

You covered me
Hands of protection around me
Your grace and mercy covered me
If not for Your grace and Your mercy
Thank you Lord, You covered me

I could have lost my mind
Wanted to give up so many times
But God was my anchor, a consistent way maker
Yes, I'm grateful God covered me

Well the enemy came against me
Attacked my body and my ministry
But what God ordains, He will maintain
I'm grateful He covered me

You covered me
Hands of protection around me
Your grace and mercy covered me
If not for Your grace and Your mercy
Thank you Lord, You covered me

I fell so many times

Your love is so divine
You touched this soul of mine
And restored me

You covered me
Hands of protection around me
If not for Your grace and Your mercy
Thank you Lord, You covered me

You covered me hands of protection around me
Your grace and mercy covered me
I could have lost my mind
Wanted to quit so many times
But god what you ordain, I'm a witness You will
maintain

You covered me hands of protection around me
Your grace and mercy covered me
You covered me hands of protection around me
Your grace and mercy covered me
You covered me hands of protection around me

Your grace and mercy covered me
You covered me hands of protection around me
Your grace and mercy covered me
You covered me hands of protection around me
Your grace and mercy covered me
You covered me hands of protection around me
Your grace and mercy covered me

You covered me
You covered me
