[Verse:]

Man can't canonot live by bread alone but by every
word out the mouth of God.

There's a formula for confession that can help you to
live your best life.

A law is simply a principle, based on a predictable
consequence of an act.

Confession in Greek is homo-logeo, which means to
say what has been said.

[Chorus:]

There is a law for confession. You just say what God
has said.

[Verse]

[Chorus]

[Bridge:]

Speak the word, speak the word, speak the word,
speak the word... Speak the word, speak the word,
speak the word, you just speak the word.

[Chorus]

[Bridge II:]

I can do all things through christ that strengthens me,
greater is he that is in me, than he that is in the world.
No weapons formed shall prosper, by his strips we are
healed. We are healed, we are healed, we are healed
we are healed.

[Chorus]
