I don't stay after six  
Oh no, it's way too dark  
"You're frightened," she said  
"No one can hear us at all"

There was this thought I was sane  
Until I met that red dame

"Don't be worried"  
Is all she said  
"Oh baby, you whine  
Yeah, you cry all the time"

The bedspread is green  
You talk, dress and think  
We leave before it gets dark  
Walk steady with you in arms  
So don't be around me  
Yeah, I'm gone you see

"In the night I roam  
Hey, hey, hey"  
I guess I'll pack my things

"In the night I roam  
Hey, hey, hey"  
"In the night I roam  
Hey, hey, hey"  
"In the night I roam  
Hey, hey, hey"
