Someday, but not today  
We will move away  
to a place that's nice and safe  
Someday, but not today

Someone, is your King  
And you look up to them, yeah  
divine in their way  
And you say, yeah you say  
you better believe her  
She gave you plenty warning

Floating on a moat,  
yeah, you diggin the moat,  
and you say, yeah you say,  
"Oh now, bring me joy  
lead me with your army  
You take our children,  
with your bloodstained hands"  
You better believe her

Alright, alright  
you got my love,  
and that's fine

All night, all night  
I swear to the highest high,  
I will keep it mine  
A promise with a catch,  
I'm sleeping with a smile  
And you're safe, but just today  
You better believe me

One night, when she goes blind,  
find her where she sleeps,  
wake her from her dreams  
Shh, it's ok  
She gave you plenty warning
