We're gonna hit the ground running
They won't see us coming
We're gonna hit the ground, hit the ground

We're gonna hit the ground running
They won't see us coming
We're gonna hit the ground, hit the ground
'Cause this time
We're not gonna quit
And this time
Just for the fun of it
We're gonna hit the ground running
We're gonna hit the ground running
We're gonna hit the ground running
We're gonna hit the ground running
They won't see us coming

We're gonna hit the ground, hit the ground, hit the
