[Chorus]

As the rain slowly goes away  
You got me wishing for a better day  
As the rain slowly goes away  
You got me praying for a better day

[Verse 1]

You ask me how we do this the way it's supposed to be  
done  
I'm out here tracing my steps  
for the people that gave me a place to sleep  
And food to eat before faces of death  
Thanks for the help and all the support lend me a g  
when I was in need  
My pops was unsure and I was in court  
Somebody out there had to believe  
They gave me the go ahead to keep movin' on  
Keepin' with faith wasn't easy at all  
Dealin' with the haters dodging these laws  
Who would of ever thought Easy would fall  
Now what's left to do got to chase this paper by any  
means at necessary  
It's a hell of a load we got to carry  
Man this struggling shit is temporary  
Every year got to bury one more nigga in a cemetery  
This life be wicked and scary  
So I bust this shell in yuh yearly  
Yeah you rest in peace Carrie, Wally, Easy, Terry and  
Vu,  
Baby Boy, Uncle Charles, Biggie and 2pac remember  
I'm with you  
Got shit to do so you blowin' through top drop bumpin'  
the dub  
Y'all my niggas y'all my fallen angels and you livin' now  
what

[Chorus]

[Verse 2]

Let me check the time on my rollie like it's moving far  
from slowly

And if you don't know me by now I guess I'll be  
marching by my lonely  
Nigga got shit to do got shit to face from place to place  
And it ain't no way in the world go  
that say you might tis well stack your plate  
If you get down how you live then you alright with me  
But if you fake and tellin' lies nigga you ain't tight with  
me  
Only hungry niggas eat they don't ride with steel  
And only phony niggas cheat ain't got no time to real  
Cause when you real in the field oh you a man cause  
you kill  
But nigga you'll squeal on your partner cause you can't  
please be still  
If my gas tank empty I'ma fill the bitch up  
And if my 45 full guess what I'ma drink the bitch up  
I'm in the cut with some niggas that ain't scared of shit  
And since are struggle all the same we taken care of  
some shit  
We thugs and playas and shit  
All men claim realage you'll niggas don't know show  
business  
Y'all niggas better get some business

[Chorus]

[Verse 3]

And as the rain drops keep fallen' on my window pain  
I just keep blazin' up my endo remain the same  
Nigga that's established  
and I'm out her to get this cat got's to have it  
Nigga been chasin' the mathematics how to stack it  
In a position where he's facing so much time  
did he want to commit that crime  
I really don't think so but it's only time  
And I'ma be here when you get home  
Put that on the bone  
Whatever ever it was whatever it be I'ma always stay  
strong for yuh  
I'ma always stay strong soldier

[Chorus to Fade]
