[JD:]

Y'all know what this is...

[Dondria:]

When you touch me  
My knees go weak  
And I can't move  
Malfunctioning  
Cause your love soothes  
My pain 'round u  
I'm forgetful  
Can't remember life without  
You and me baby in my mind  
We're inseparable  
Your love takes me high  
Like a catapult  
Over mountains and moons  
I'm invincible  
When I'm lovin' you, oh

[Chorus:]

I can't stop thinkin' 'bout you, boy  
Stay on my mind I can't help what I'm feelin', boy  
I can't stop thinkin' 'bout you  
I can't stop thinkin' 'bout, can't stop thinkin' 'bout you  
(Repeat)

[Verse 2:]

Baby, take me  
To a world where it's  
You and me only  
And a place where our love can be free  
Without boundaries or limits  
Just hold me  
We can do anything  
You and me all alone on a throne  
King and queen  
Now that's my definition of happy  
And nobody can take that away from me  
As long as I got you, babe

[Chorus]

[Pre-bridge:]

Everyday  
In every way  
All the time  
Oh

[Bridge:]

Oooooh  
Everything in me you can have it  
Cause baby I'm stuck to your love like a magnet  
And I can't get enough (I just can't get enough)  
Oooooh  
Day after week after month after year  
Time stands still whenever your here  
You're my (you're my) you're my world and I

[Chorus] (2x)
