Ain't no use to sit and wonder why, babe
It don't matter anyhow
Ain't no use to sit and wonder why, babe
If you don't know by now

When your rooster crows at the break of dawn
Look out your window and I'll be gone
You're the reason I'm travelin' on
But don't think twice, it's all right

Well, it ain't no use in turnin' on your light, babe
That light I never knowed
And it ain't no use in turnin' on your light, babe
I'm on the dark side of the road

I wish there was somethin' you would do or say
To try and make me change my mind and stay
We never did too much talkin' anyway
So don't think twice, it's all right

It ain't no use in callin' out my name, gal
Like you never did before
It ain't no use in callin' out my name, gal
I can't hear you any more

I'm thinkin' and I'm wonderin'
All the way down the road
I once loved a woman, a child I'm told
I give my heart to you but you wanted my soul
But don't think twice, it's all right

I'm walkin' down that long, lonesome road, babe
Where I'm bound, I cannot tell
But goodbye's too good a word, gal
So I'll just say farewell

I ain't sayin' you treated me unkind
You could have done better but I, I don't mind
You just kinda wasted my precious time
But don't think twice, it's all right
But don't think twice, it's all right
