Try to sell somethin' that just can't be bought  
Said it's the latest and the greatest but I know that it's  
not  
Be somebody you don't wanna be  
Didn't even exist last year but now it's what we need

Oh no not me, oh no not me  
Cause I'm headin' home (2x)

Try to tell them somethin' that should never be taught  
I guess it wont be great around here when they're born  
Once it's really gone then it's really gone for good  
Just because you can doesnt mean that you should

Oh no not here, oh no not now  
Cause I'm headin' home (2x)

Go somewhere ya never gone  
Sing something that ya never sung  
Think about something that ya never thought  
And if you're gonna give, give everything you got

Oh yeah right here, oh yeah right now  
I'm headin' home (4x)  
Oh yeah right here, oh yeah right now  
We're headin' home (4x)
