[Verse 1:]

Baby something just comes over me  
When were together and the mood is just  
Right it's like I'm losin my mind it makes me  
Wanna stop time so we can enjoy this  
Moment all night now I'm in love with you  
And everythin you do and everything you  
Are from the way you smile yo swagg the way you walk  
That's enough to make me take you home and show  
you a good time  
Let's watch a movie take a shower relax and unwind

[Chorus: x2]

Let's go nobody has to kno what we do when  
We do how we do our thang  
Just do it nice and slow  
And make me lose control  
Cause I've been feenin for you  
To come have your way

[Verse 2:]

Baby don't keep me waitin I'm  
Inticipating this night with you  
You got me feelin rite and you lookin  
Kinda nice I got the music playin  
Why don't you show me how you move  
Now I'm ready to go baby just take control  
I kno tonite will be a nite we won't  
Forget I got some things to show you  
Places I wanna go so let's get to it baby you  
Ready on your mark  
Get set gooooooooooooo...

[Chorus x2]

[Hook:]

Baby I'm waitin for you  
Baby I'm craving for you  
Inticipating for your love

No time for playin baby  
Don't keep me waitin baby  
Let's go I wanna make love with you

[Chorus x2]
