Line me up don't let me down,
C'mon let me see you pass it around.
We're gonna dance and sing together,
One more time tonight.
Imagine a world where people,
Get together and never fight.

(Chorus)

Do what you want to,
Don't do what you see.
Do what's right for you and I'll,
Do what's right for me yeah

Here's to all the ones we've lost,
(whatever you wanna think).
Wherever you may be,
I hope heaven is treating you fine fine.
Gonna meet a lot of friends along the way,
some will go and some will stay yeah.

(Chorus)

Do what you want to,
Don't do what you see.
Do what's right for you and I'll,
Do what's right for me yeah

Just do what you want to,
Don't do what you see.
Do what's right for you and I'll,
Do what's right for me yeah

And pass it around, pass it around,
pass it around, pass it around,
pass it around, pass it around,
pass it around, just pass it around
