Sweepin' the floors
Open up the doors yeah
Turn on the lights
Gettin' ready for the night
Nobody's romancin' cuz it's too early for dancin'
But here comes the music...

Bright lights flashing they cover up you
Like a so many people so many problems so many
reasons
To buy another round
Drink it down
Just another night on the town

With the big man
Money man better than the other man
He got the plan with the million dollars give a damn
When nobody understands
He'll become a smaller man
The bright lights keep flashin
Man the women keep on dancin

With the clowns yeah, yeah, yeah
Pick me up when I'm down yeah, yeah
The rodeo clowns yeah, yeah, yeah
Pick me up when I'm down yeah, yeah

The disco ball spinnin all the music and the women and
the
shots of tequila man the'll say that they need ya
but what they really need,
is just a little room to breathe

Teeny boppin disco queen she barely understands her
dreams
Of belly button rings and other kinds of things
Symbolic of change
But the thing that is strange is that the
Changes ocured and now she's just a part of the
Herd yeah, yeah, yeah
Man I thought that you heard yeah, yeah

The changes occurred yeah, yeah, yeah
She's part of the herd yeah, yeah

Lights out, shut down, late night, wet ground
You walk by, look at him but he can't look at you, yeah
You might feel pity but he only feels the ground
because
You understand moods but he only knows let down
By the corner there's another one
Reachin' out a hand comin'
From a broken man, well,
You try to live,
But he's done tryin',
Not dead but definitely dyin'
With the rest of the clowns yeah, yeah
With the rest of the clowns yeah, yeah

With the clowns yeah, yeah, yeah
Pick me up when I'm down yeah, yeah
The rodeo clowns yeah, yeah, yeah
Pick me up when I'm down yeah, yeah

Sweepin the floors
Open up the doors, yeah
Turn on the lights
Gettin ready for the night
Nobody's romancin' cuz it's too early for dancin'
But here comes the music
