[Chorus:]

I you leave your girl I'll my leave my man
Let's pack our things we don't need no plans
Let's runaway to another place
Grab your things I'll grab mine too
Your girl can't do it like I do
Let's runaway
Let's runaway

[Verse 1:]

She can't(she can't)
Do it like I do
I bet if you sit down and compare
No ones better for you (no ones better for you)
Than me (then me)
Can't you see'
Suga
You been hurting for to long
Why let her do you wrong
You see how it supposed to be
When leave and come with me

[Chorus:]

I you leave your girl I'll my leave my man
Let's pack our things we don't need no plans
Let's runaway to another place
Grab your things I'll grab mine too
Your girl can't do it like I do
Let's runaway
Let's runaway

[Verse 2:]

You told me that she cheating
And your afraid to pack leave
And start brand new
Make plans to
Forget everything you been through
But she's that who's breaking your heart
I promise if leave I'll never part
From you
Make sure that you'd be like

She's never loved you before

I you leave your girl I'll my leave my man
Let's pack our things we don't need no plans
Let's runaway to another place
Grab your things I'll grab mine too
Your girl can't do it like I do
Let's runaway
Let's runaway
