There ain't no way you and your partner  
Aint gon wanna do it  
When you listen to the remix  
With me and my boy Musiq  
It goes...

[Verse 1:]

You're my baby  
My lover, my lady  
All night you make me  
Want you it drives me crazy  
I feel like you  
Were made just for me, baby  
Tell me if you  
Feel the same way

Cause it just feels so right  
I don't wanna waste no time  
If I had to choose I know  
I'm gon' always choose to be with you  
Cause, girl don't you know

[Chorus:]

Girl don't you know you're so beautiful  
I wanna give all my love to you, girl  
Not just tonight but the rest of your life  
I wanna be always here by your side

Girl don't you know you're so beautiful  
I wanna give all my love to you, girl  
Not just tonight but the rest of your life  
I wanna be always here by your side

[Verse 2:]

Baby I love you  
I'm so grateful just to have you  
In my life, In my eyes  
You're perfect my heart you've taken  
I'm here for you with all we been through  
Tell me if you feel the same way

Cause it just feels so right  
I don't wanna waste no time  
Boy if I had to choose I know  
I'm gon' always choose to be with you  
Boy, don't you know

[Chorus:]

Boy, don't you know you're so beautiful  
I wanna give all my love to you, boy  
Not just tonight but the rest of your life  
I wanna be always here by your side

Boy don't you know you're so beautiful  
I wanna give all my love to you, boy  
Not just tonight but the rest of your life  
I wanna be always here by your side
