You say you don't have a reason  
You say you love me so you're leavin'  
I wish I knew what this was all about

If there were signs I've never seen them  
I never knew I was looking for my freedom  
I wish that you knew what this was all about  
'Cause now

Everybody's gonna see you comin'  
'Cause everybody here's waitin' on somethin'  
You know you'll always be their someone's somethin'  
now  
If you ever come back around

You say it ain't over 'til it's over  
You took my heart did you know you thrown her  
My body's gonna find you when your gone  
But I know I'm wrong

Everybody's gonna see you comin'  
'Cause everybody here's waitin' on somethin'  
You know you'll always be their someone's somethin'  
now

Everybody's gonna see you comin'  
'Cause everybody here's waitin' on somethin'  
You know you'll always be their someone's somethin'  
now  
If you ever come back around

Everybody's gonna see you comin'  
'Cause everybody there's waitin' on somethin'  
You know you'll always be their someone's somethin'  
now

Everybody's gonna see you comin'  
'Cause everybody here's waitin' on somethin'  
You know you'll always be their someone's somethin'  
now  
If you ever come back around
