[Verse 1:]

At first I thought that u were just bein a man
Everything was fine
And I just knew you'd b my life long friend
Every time u went out u would never hesitate to check
in
And I never hada wonder what time u was comin in
But-but then, you-you began
To slowly but surely change
Our Relationship rearranged
Started comin up with all these alibis
And now I need sum answers
Can u tell me y

[Chorus:]

Y u hurtin me
Baby Y u hurtin me
I been here rite here by your side
But this isn't fair to me
What did I do to u please help me understand
My heart is breakin
Y won't u just be a man
Y u hurtin me
Baby y u hurtin me
I put up with all your lies
About where u said you'd b
Please baby I deserve better
But I can't leave u
I just want u to be a man
And tell me tha truth

[Verse 2:]

So I started bringin up tha fact
That u wouldn't call me
When u knew that u would not be home
When u said u would be
Or betta yet
Every time u said u were at your boys house
I tried not to cry when I heard
Jasmine in tha background
E-ven then, You-you acted

Like you were doin nuthin wrong
We were doin' this 4 a long time
And u have yet 2 tell me y u lied
Y do u hurt me baby
And why do u make me cry

[Chorus]
