### Chorus

If you like big butts, shaped like purple hearts with  
ghetto moons and purples stars, come get your lucky  
charms

Yeah, welcome to Azzville, cause you can get to pick  
the flavor you want

If you like minnie skirts, daisy dukes, brazilian cuts,  
girls around the world with the big ol' butts

Yeah, welcome to Azzville, cause you can get to pick  
the flavor you want

### Verse 1

Ooh as I get off the plane, this sure looks like paradise  
to me ha

Feelin' drunk and derranged, this is where every nigga  
s'posed to be

Cuties everywhere, they roll out the red carpet just for  
D

All I can do is stare, heaven must be here

### Chorus

Ooh as I hit the beach front, the g-string looked like thin  
to me

Ooh and every woman around, the booty lookin' like it's  
plenty baby

And if you're white or you're brown there's a party goin'  
on back in my room (Room 123)

And it's an ass affair, heaven must be here

### Chorus
