[Chorus]

Don't Cry
Dry your eyes
I wanna be by your side
Whenever you need me (Don't Cry)

[Verse 1]

It's really hurting me the way you feel
Cause I wanna see you happy
And when you feel the need to call on me
I'll be by your side
You'll never have to cry

[Chorus]

Let me be the one
To make the pain fade away
Cause I know you're hurting inside
You need someone that you can trust
And I'll be by you side
You'll never have to cry

[Bridge]

You'll never have to cry no more
I'll be right by your side
When you need someone to give you love
Don't have to worry anymore
Cause I'll keep you satisfied

[Chorus]
