(duet with Ginuwine)

Ohh yeahh.  
Ohh yeahh (Dondria)  
Oohh yeahhh  
Oohh yeahhh (Dondria)  
Ohh yeahh  
Ohh yeahh (Dondria)

Phatfffat's how I'm known  
If this is your song  
Wait till hear what I did with my verse come on'  
[x2]

[Ginuwine:]  
It's amazing baby  
How we let it go  
On and on for this long  
You blamin me I'm blamin you  
I can't say your right but I sure ain't wrong  
Girl lately I, I been thinkin  
And my thoughts are tellin me I'm trippin  
Used to say I didn't care  
Found your bags packed upstairs  
With all that talkin tough  
I'm bouta loose you

If this is my last chance to love you  
I'm gunna play it like a grown man ought to  
If I only got one shot to win you  
Then call me jordan 4th quarter in 92, yeah  
I'm gunna do it  
No matter what your girlfriends say  
I'm gunna do it  
Believe me baby talkin bout that kinda change  
I'm gunna do it  
From a boy to a man like barack and his plan  
If this is my last chance

[Dondria:]  
Boy I don't know why we keep it goin on

Fallin off, love is lost  
You playin me  
But I'm not a fool  
We fuss we fight  
Baby you broke the rules  
I thought I was trippin  
I thought I was slippin  
But the signs are showin me  
That you were never willing  
To love  
I gave you chance after chance  
And you straight took advantage of me  
Can't you see that I'm done.  
Already gave you your last chance  
To win me  
But you took it for granted now your loosin me  
I'll give you one shot to show me  
That your ready to settle down and marry me  
Butt you can't do it.  
You got to many girls callin your phone  
Not gunnna do it  
I've tried it but id rather be alone  
I can't do it  
You won't hurt me again baby this is the end  
I can't do it  
Already gave you your last chance yeahh

Phatfffat's how I'm known  
If this is your song  
Wait till ya hear what I did with my verse come on  
[x2]
