There is somethin between us
Whenever we look up it comes out
I go thru different emotions
And i can't quite figure it out

If i just like it
When we get down?
Or have i fallen
For u in the midst of it all?

I dunno if it's lust or love (ohhh baby)
That im feelin for u
Are u feelin it too? (yeah)
I dunno but i hope it's love (hope it's love)
That im feelin for u girl (girrl)

Baby im ready
To settle down
Have i been runnin
From love and it's catchin up now

I dunno if it's lust or love (ooh)
That im feelin for u (that im feelin for u)
Hope u feelin it too (hope ur feelin it too)
I dunno but i hope it's love (hope it's love)
That im feelin for u girl (girl)

I dunno if it's lust or love (i dunno i dunnooo)
That im feelin for u (feelin for u)
Hope u feelin it too (baby yeah)
I dunno but i hope it's love (said i hope it's love baby)
That im feelin for u girl

Ive got love on my mind
Its wat i feel deep inside
When i look in ur eyes
I see that lust has turned to love
Tonight is the nite
We can make this thing right
Girl i need u in my life
Cos u gotta know that this could be love

I dunno if it's lust or love
That im feelin for u
Are u feelin it too?
I dunno but i hope it's love
That im feelin for u girl
X4 till end
