Christmas is the time we have picked to give  
Each other gifts Oh yeah, yeah  
Most people never seem to think about the things  
We really need oh ho oh whoo

So I'm offering this wrapped present  
Wrapped up in a package that you can get from  
someone  
(Get from someone)  
This package that they'll bring to you  
Is my gift to you

We must not predict without giving up ourself you know  
It's just not a gift oh no huh  
So how can you expect a gift from someone else unless  
you give  
That's just the sign of a selfish man

So I'm offering my heart and soul  
And every single part I have to give of myself  
(To give of myself)  
My love is what I bring to you  
Is my gift to you

Oh yeah my gift, my gift, my gift to you

So I'm offering this wrapped present  
Wrapped up in a package that you can get from  
someone oh yeah  
(Get from someone)  
This package that they'll bring to you  
Is my gift to you

Said it's my gift yeah huh  
Gonna say it again  
My gift to you  
Yeah (my gift to you)  
Do you hear what I'm talking about baby  
My gift, my gift, my gift to you  
Oh yeah yeah  
My gift to you

Said it's my gift  
Said it's my gift  
My gift to you
