[Chorus:]

I can't take this anymore
I can't take this anymore
I tried your way baby, I tried your way baby
But it just ain't workin out for me, it just ain't workin out
for me

[Verse 1:]

So many times you said that you would change (so
many times you said it and I believed you)
But just when I think you had, you go back to the same
old games
I wish I never gave you a second chance
Cause I was just wasting my time, cause you don't
know how to be a real true man

[Pre Chorus:]

I told you I was lonely, told you what I needed
But you ain't wanna hear it,
So, I had to do what was best for me and that's, let you
and your triflin' self go
I told you what I wanted, and everything you had to do
to make the situation go good
But obviously you wasn't listenin' or maybe I asked you
to do way more than you could

[Chorus]

[Verse 2:]

You constantly callin me tryin' to get back
But what's crazy to me, is when you had me, you ain't
know how to act
Got all the right things to say now
But you're a day late, and a dollar or two short
Should've thought about that when I was around

[Pre Chorus:]

I told you I was lonely, told you what I needed
But you ain't wanna hear it,
So, I had to do what was best for me and that's, let you
and your triflin' self go
I told you what I wanted, and everything you had to do

to make the situation go good
But obviously you wasn't listenin' or maybe I asked you
to do way more than you could

[Chorus:]

I can't take this anymore

I can't take this anymore

I tried your way baby, I tried your way baby

But it just ain't workin out for me, it just ain't workin out
for me
