I dont want this thing to come to a demise
And maybe your surprised as to how much i adore you
I just want to love you
I hope you understand me

Cuz everytime that i look you in your eyes
The time we spend together
In my mind forever
Dont you ever leave me

Please dont worry
Dont have no fear
Your superwoman's here to save you

Fixin all your problems

Are you feelin me
I want you to stay with me
So we could see
If we should be
And make some history

At night i cant fall asleep
Please stay with me
Dont ever leave
Im beqqin please
Im beqqin please
