Whoo-who... hoo... yeah

Up in the place  
I see you gettin down  
I came up to look at ya  
Now your the baddest thing i've seen tonite  
So come on girl let's put it in fly  
I've got the V-one two 6-0-0  
Sittin outside of the door  
So bring it on  
By the way your body is placefull  
And it's a little some that i probably crave for

CHORUS:

It's a quarter past three girl  
What's it gonna be girl  
Shorty got her eyes on me  
We've been talkin since two girl  
What cha gonna do  
Tell'em that your ridin' with me  
It's a quarter past three girl  
What's it gonna be  
Shorty got her eyes on me  
You've been frontin since two girl  
What cha gonna do  
I'll be chillin at the other seat... what

VERSE 2:

I was watchin your move  
I started to fantasize about the way  
I'm gonna put it on ya tonite  
So come on and ride shotgun  
I got the bubbles  
If you like it we could pop some  
I see me and you flossin in my coop  
Maybe we could tear back the roof and get it on  
Then i see your body is placefull  
I like the little thing 'round you navel, baby

CHORUS:

VERSE3:

All i know is  
That i'm not leavin here alone, yah  
Now you might be the badest in the club to me  
But shorty got it bad  
And wanna fly with me tonite  
So wha cha gonna do (wha cha gonna do)  
Is it goin tah be me and you  
You gotta stop playin games  
Girl, you gotta stop fakin.....

CHORUS 2X
