Chorus:

She likes to show me love  
Likes to give it up  
But she talks to much  
How is a nigga gonna creep  
She wants to tell the world that she's been fuckin' me  
I know what she's tryna do  
She's tryna run 'em out  
To get wifey out  
But, I gotta shut ya down  
'cause this is something that she can't find out

Verse 1:

We've been low key  
This chick is try to blow up my spot now  
She's tryna bury me  
But, I'm tellin' you that it's so hard now  
I'm about to lose my mind  
Take her somewhere  
Where she can't be found  
So, she's fuckin' with, in and on every nigga  
And she don't know how I get down

Chorus:

She likes to show me love  
Likes to give it up  
But she talks to much  
How is a nigga gonna creep  
She wants to tell the world that she's been fuckin' me  
I know what she's tryna do  
She's tryna run 'em out  
To get wifey out  
But, I gotta shut ya down  
'cause this is something that she can't find out

Verse 2:

This situation is killing me  
But, I gotta play it cool  
No more lickin' me like a lollipop  
It's over for you  
Can't spread no room over

Now, I know where you live  
Don't ya be a fool  
'cause keep your mouth closed up  
And there will be no drama boo

Chorus: x2  
She likes to show me love  
Likes to give it up  
But she talks to much  
How is a nigga gonna creep  
She wants to tell the world that she's been fuckin' me  
I know what she's tryna do  
She's tryna run 'em out  
To get wifey out  
But, I gotta shut ya down  
'cause this is something that she can't find out
