[Verse: Donell Jones]

(I'm looking for that special girl, that special girl)
All ya single ladies that look out for me
I'm the hottest single nigger to step on the scene
Got the east side rockin',
Got the mid west talking
Got the dirty south bouncin',
Got the west crib talking

The type a nigger that you wanna roll with baby
Don't get it twisted thinkin' i'm a sugar daddy
You can look like Halle with an ass like JLO
And a smile like Janet but that's not enough
You may think that i'm tripping take a minute and just
listen
It aint all about sex 'cause I can always get that
I'm a million dollar nigger need a million dollar woman
Met this chick named Yvett and this what she said

[Verse: Yvette/Beverly]

I can give you everything you need
I can be your freak, even cook and clean
If that's all you got then you cannot get it
'coz i got a chef who can cook all my dinners
Im looking for that nigger who aint cheap,
Take me shopping every week
I play this game for keeps

[Verse: Donell Jones]

If that's how you get down it's a rap and your finnished
There aint no use in me gettin your digits
Im looking for that special girl

[Chorus: Yvette/Beverly/Donell Jones]

Your looking for me, I'm waiting on you
To bring your loving to me
(that special girl)
Come give it to me I'm waiting on you bring your loving
to me i got what you need
(im looking for that special girl)
Your looking for me I'm waiting on you

To bring your loving to me
(that special girl)
Come give it to me I'm waiting on you bring your loving
to me i got what you need

[Verse: Donell Jones]

(check it out now)

So i found out that Yvett can't give me what I need
So i hook up with this chick we call her Beverley
Had a trunk side body drove a chrome 600
With them big wheels gunnin
Man this girl was on it

Type of chick that drop a platinum card for me
Just to show this down ass nigger that her pockets deep
And the sex was blazin and her brain was crazy
Lingerie type lady stil that's not enough

You may think that I'm tripping take a minute and just
listen
It aint all about sex it's what's in your head
Im a million dollar nigger
Need a million dollar woman
I won't settle for less and Beverley said

[Verse: Beverly]

I just gotta have you close to me
I'll watch you while you sleep
You will never leave boy
But that is somethin i just can't do it
Girl i can't be with you every minute
I got plenty niggers sweating me
And I been sweating you
So what's a girl to do?
Don't try to deny your mental there's a sickness
Baby I'm out it's a rap and your finnished

[Verse: Beverly/Donell Jones]

(im looking for that special girl)
Your looking for me I'm waiting on you
To bring your loving to me
Come give it to me I'm waiting on you
Bring your loving to me
I got what you need
(said I'm looking for that special girl)
Your looking for me I'm waiting on you
To bring your loving to me
Come give it to me I'm waiting on you
Bring your loving to me
I got what you need

[Repeat Chorus Till End:]

Said I'm searching, said I'm looking)

(and it feels like a lifetime searching for that someone

ooh yea

Is anybody out there

Im looking for the one who cares

Said I'm searching, said I'm looking)

You got what I want come give it to me

Im waiting on you to bring your loving to me

Come give it to me I'm waiting on you

To bring your loving to me
