[Verse 1]

Listen girl, it's getting hot in here
And ya making me feel
Like you wanna do something, oh girl
What's on your mind
I can't take much more of this bumpin and grindin

Don't stop watcha doing to me
Baby you gone make me want you even more
Act just like you want me, back that ass up on me
We can take this party, to my place or yours

[Chorus:]

All up on me playin it close
You can't stop it wont stop rollin?
Shorty what you feelin like
You can come and spend the night

All up on me playin it close
You can't stop it wont stop rollin?
Baby girl if you like
You can come and spend the night
