verse 1

i don't believe we were put together not to be together
and i don't believe theres anyone out there that can
love me better
i don't believe that you know how much i miss seeing
your pretty smile.
of course we had our ups and downs
but i gotta have you around me cuz...

chorus

i feel it all over my body
i dream about you when i sleep
you're the one for me(you're the one)
you're the one for me(you're the one)
all the signs say that
ever since the day that we laid eyes on each other baby
you're the one for me(you're the one)
you're the one for me(you're the one)

verse 2

i don't believe that you know how much i melt every
time i smell your scent boy
and i don't believe (i don't believe) i got myself in this
predicament
im sorry(im so sorry)
for everything i ever did wrong
im sorry(im so sorry)
and im begging you begging you begging you begging
you please come back home

chorus

when i lay in my bed at night
im hoping and praying that you feel the same way i do
deep down inside(inside)
and the feeling you just cant control
it makes you wanna just call me
and tell me how much you really miss me
it makes you wanna call me.
and say that you just cant wait
to hold and kiss me kiss me ALL OVER!! HEEYYYYY!!

chorus
