If you let me in
Your heart I will never let you go, oh no
You gotta believe in me
'Cause the love is strong that I have
If you let me in
I will never let you go, oh no
You gotta believe in me
'Cause the love is strong that I have

How many times must I say I love you
When it really don't mean nothing to you, baby
I know you've have your share of ups and downs
But I've done you no wrong
I've only tried to make things right
So get me my love when I try, let me in

If you let me in
Your heart I will never let you go, oh no
You gotta believe in me
'Cause the love is strong that I have
If you let me in
I will never let you go, oh no
You gotta believe in me
'Cause the love is strong that I have

Love is a game and I play to win
But you gotta let me in
Girl you're always on my mind
I dream of you all the time
I know love is a give and take
I don't never wanna make any mistakes, oh no
So that's why I keep you close to my heart
And I pray that you will never part, no

If you let me in
Your heart I will never let you go, oh no
You gotta believe in me
'Cause the love is strong that I have
If you let me in
I will never let you go, oh no
You gotta believe in me
'Cause the love is strong that I have

If you let me in
Your heart I will never let you go, oh no
You gotta believe in me
'Cause the love is strong that I have
If you let me in
I will never let you go, oh no
You gotta believe in me
'Cause the love is strong that I have

If you let me in
Your heart I will never let you go, oh no
You gotta believe in me
'Cause the love is strong that I have
If you let me in
I will never let you go, oh no
You gotta believe in me
'Cause the love is strong that I have
