Oh yeah, ooh  
Let me talk to you, girl

Saturday night, told you where I'd be  
I'd be chillin' with my boys at the, won't you let me  
finish?  
How your girl gon' tell you she saw me with some trick  
But ain't told you she been trying to get with girl, let me  
finish

I been trying to tell you for a while  
But you never let me get what I'm trying to say out  
I always listen to what you got to say  
But for a change, won't you shut up? Let me explain

(I will tell you)  
I will tell you exactly where I was but you  
Keep cut, cuttin' me off

(Baby, I will tell you)  
I will tell you exactly who I was with but you  
Cut, cuttin' me off

I tell you she's a liar, I got a solid alibi  
Was no late night thong show at my spot last night  
(Cause without you)  
'Cause without you girl I'm lost, I would say  
But you, cut, cut, cuttin' me, cut, cuttin' me off

Gave you your turn, you done said a mouth-full  
Now, I'm gon' speak my mind and you gon' let me  
finish  
Girl, I promise that I'll tell you the truth, the whole truth  
Let me finish, let me finish, let me finish

I been trying to tell you for a while  
But you never let me get what I'm trying to say out  
I always listen to what you got to say  
But for a change, won't you shut up? Let me explain

(I will tell you)  
I will tell you exactly where I was but you

Keep cut, cuttin' me off

(Baby, I will tell you)

I will tell you exactly who I was with but you

Keep cut, cuttin' me off

I tell you she's a liar, I got a solid alibi

Was no late night thong show at my spot last night

('Cause without you)

'Cause without you girl I'm lost, I would say

But you, cut, cut, cuttin' me, cut, cuttin' me off

Girl, there ain't gon' be no fights no more

I don't want to raise my voice, that's for sure

It don't need to go this way, so baby, just stop

And listen to me when I say

(I will tell you)

I will tell you exactly where I was but you

Keep cut, cuttin' me off

(Baby, I will tell you)

I will tell you exactly who I was with but you

Keep cut, cuttin' me off

I tell you she's a liar, I got a solid alibi

Was no late night thong show at my spot last night

('Cause without you)

'Cause without you, girl, I'm lost, I would say

But you, cut, cut, cuttin' me, cut, cuttin' me off

You keep cuttin' me, cuttin' me, keep cuttin' me off

You keep cuttin' me, cuttin' me, keep cuttin' me off

And you never pay attention, damn, you don't listen

Shut up, girl, 'cause you know I love you, girl

You keep cuttin' me, cuttin' me, keep cuttin' me off

You keep cuttin' me, cuttin' me, keep cuttin' me off

And you never pay attention, damn, you don't listen

Shut up, girl, 'cause you know I love you, girl
