#### "Do It All"

*[Verse 1:]*

It's Saturday it's so hot,  
Gotta get fresh and crispy (yeah)  
Schedule is tight, peep agenda  
Get the car washed - holla at my barber  
And get the usual cut  
I keep my celly on vibrate  
Knowin' that she goin get me  
Half black with a little Puerto Rican  
At the 4040, met 'er last weekend  
Now I know you gettin' me

*[Chorus:]*

I don't mean to push up  
But shorty so fly  
Neighboring with a big butt  
It's more than my eyes can handle (whoa)  
She make me wanna go the extra mile

I just wanna to do, do it all  
And not worry bout the dough, the money I spent  
Cuz for her, I'll blow it all  
I never met a girl worth the whole nine yards  
Said I'll do it, do it all  
And with a little romance, like back in the days  
I keep ya comin' back yeah (comin' back)  
I keep ya comin' back yeah

*[Verse 2:]*

And as the night winds down  
We ain't thinkin' bout sleep (naw)  
Straight up to 12th floor suite (yeah)  
At the Embassy deep in the sheets (it's all neat)(yeah)  
And with a Shakespeare style  
I get the drawbridge to her castle (castle)  
Won't be no hassle (no hassle)  
She'll be givin' me the red light special (so special)

*[Chorus:]*

I don't mean to really push up

But shorty so fly  
Neighboring with a big butt  
It's more than my eyes can handle (whoa)  
She make me wanna go the extra mile

I just wanna do, do it all  
And not worry bout the dough, the money I spent  
Cuz for her, I'll blow it all  
I never met a girl worth the whole nine yards  
Said I'll do it, do it all  
And with a little romance, like back in the days  
I keep ya comin' back yeah (comin' back)  
I keep ya comin' back yeah

*[Bridge:]*

(Don't) don't (blame) blame (me for)  
For being just little bit old fashioned  
She's a little more than average

And I just wanna do, do it all  
And not worry bout the dough, or money I spent  
Cuz for her, I'll blow it all  
I never met a girl worth the whole nine yards  
Said I'll do it, do it all  
And with a little romance, like back in the days  
I keep ya comin' back yeah (comin' back)  
I keep ya comin' back yeah
