Free like a summer breeze.
Free like a whale that swims the ocean.
Free like a butterfly.
Free like a fantasy, just wanna be free.
Free like a waterfall.
Free like the moon above, just wanna be free.
Free like I wanna be.
God is the remedy, if you wanna be free.

Livin' in a crazy world, it's a dangerous world, and I
can't get no peace.
And I only trust in God 'cause I got his love that they
can't take from me.
I just wanna tell the world "Don't let them hold you
down."
Said you got to believe.
In the words ? 'cause it's beautiful, it's incredible if you
want to be free.

Free like a summer breeze (Oh yeah).
Free like a whale that swims the ocean (yeah).
Free like a butterfly.
Free like a fantasy, just wanna be free
(Just wanna be free, Oh yeah)
Free like a waterfall free like the moon above, just
wanna be free.
Free like I wanna be.
God is the remedy, if you wanna be free.

People take advantage of all the love you give.
Thought you'd be (don't ya be?) unhappy.
If they say they got your back, but talk behind your
back, in the end they will see.
That they can't slow you down, you got to fold them
down.
Said you got to believe...in the words ?
'cause that's beautiful, it's incredible, if you want to be
free.

Free like a summer breeze (Yeah).
Free like a whale that swims the ocean (Oh yeah, oh
yeah).

Free like a butterfly.
Free like a fantasy, just wanna be free (Just wanna be
free, Oh yeah yeah).
Free like a waterfall.
Free like the moon above, just wanna be free.
(God is the answer) Free like I wanna be.
God is the remedy, if you wanna be free.
