Every night when I close my eyes and I pray to lord  
That I wake up next to you  
And I think about all the times we share and I cherish all  
of them  
Tell me it aint goin nowhere  
Coz girl you got me  
Loving you, wanting you  
Needing to and pleasing you  
Touching you, wanting you  
There's nothing that I'd rather do (x2)  
She knows I like it nice and wet  
When lovin' her body through the night  
Laying b'side the fireplace  
Got the bubbles flowing  
Underneath the moonlight  
No woman can replace her love  
When taking me on a sexual high  
This could get emotional and I can't even fly  
Coz girl you got me strung down  
And  
Loving you, wanting you  
Needing to and pleasing you  
Touching you, wanting you  
There's nothing that I'd rather do (x2)  
She does a striptease for me  
So sexy that it just blows my mind  
As her clothes hit the floor  
She bends over and takes a sip of wine  
Am i ready to get it up  
She wants to give me a slow ride  
Better do just what she wants  
Coz at the end of the night  
I'm always satisfied, you got me...  
Loving you, wanting you  
Needing to and pleasing you  
Touching you, wanting you  
There's nothing that I'd rather do (x2)  
Said I love this girl, she really takes care of me  
She meets any sexual desire that I need  
She's the kinda girl that every man would want  
That's why I love her, I'm gonna take care of her  
She's my dream, my peace and she's always there for

me  
Loving you, wanting you  
Needing to and pleasing you  
Touching you, wanting you  
There's nothing that I'd rather do (x2)  
Break it down for me one time  
See what im talking about lady,  
She gives me
