There is something between us  
Whenever we look up it comes out  
I go through different emotions  
And I can't quite figure it out, ooh yeah

If I just like it  
When we get down  
Or have I fallen  
For you in the midst of it all?

I don't know if it's lust or love  
That I'm feeling for you  
Are you feelin' it too?  
I don't know but I hope it's love  
That I'm feeling for you, girl

Baby, I'm ready to settle down  
Have I been runnin'  
From love and it's catchin' up now?

I don't know if it's lust or love  
That I'm feeling for you  
Hope you're feelin' it too?  
I don't know but I hope it's love  
That I'm feeling for you, girl

I don't know if it's lust or love  
That I'm feeling for you  
Are you feelin' it too?  
I don't know but I hope it's love  
That I'm feeling for you, girl

I've got love on my mind  
It's what I feel deep inside  
When I look in your eyes  
I see that lust has turned to love

Tonight is the night  
We can make this thing right  
Girl, I need you in my life  
'Cos you got to know that this could be love

I don't know if it's lust or love  
That I'm feeling for you  
Are you feelin' it too?  
I don't know but I hope it's love  
That I'm feeling for you, girl

I don't know if it's lust or love  
That I'm feeling for you  
Are you feelin' it too?  
I don't know but I hope it's love  
That I'm feeling for you, girl

I don't know if it's lust or love  
I don't know but I hope it's love
