Yo, you know, wassup?

Oh, oh, oh

You know, you got somethin' I want tonight

You ready, baby?

It's only been a day and I ain't tryna wait no more

(Ooh, na, na, na)

'Cos I'mma show you things that you never seen before

(Ooh, na, na, na)

Girl, I know a place where we can go for love

(Ooh, na, na, na)

Girl, it's right here and it's right now

And it won't be long before I lay you down, say, ooh

Your na, na, na, I want your na, na, na

'Cos I'm gon' get it, get wit it

'Cos I'm ready for that, ooh, na, na, your na, na

Baby, 'cos I want it

And when you bring it here, I'm jumpin' on it

Girl, I only end up pleasin' tonight

You ain't gotta ask for nothin'

Just as long as you can keep, you can keep it comin'

You've got it, girl, I cant wait to taste your hypnotic

Girl, I wanna make a baby tonight

You ain't gotta ask for nothin'

Just as long as you can take it, I'mma keep it comin', na

Baby, don't be scared, gonna take my time wit you

(Ooh, na, na, na)

You can saddle up, I'll do this rodeo wit you

(Ooh, na, na, na)

It ain't all about them whips, it ain't all about them cuffs

It's all about me pulling your hair, it's like I'm on that

but

Girl, it's right here and it's right now and it won't be

long

Before I lay you down, say oh, oh

Your na, na, na, I want your na, na, na  
'Cos I'm gon' get it, get wit it  
'Cos I'm ready for that, ooh, na, na, your na, na  
Baby, 'cos I want it  
And when you bring it here, I'm jumpin' on it  
Girl, I only end up pleasin' tonight  
You ain't gotta ask for nothin'  
Just as long as you can keep, you can keep it comin'

You've got it, girl, I cant wait to taste your hypnotic  
Girl, I wanna make a baby tonight  
You ain't gotta ask for nothin'  
Just as long as you can take it, I'mma keep it comin', na

There's somethin' 'bout your na, na, that crazy na, na  
Make a nigger wanna pay your rent  
And you know, it just don't make no damn sense  
Oh, no, no, no

We got so much in common, you little mamma  
Take 'em down so I can see you again  
Girl, you're another like a man's best friend  
And you know that

Baby, 'cos I want it  
And when you bring it here, I'm jumpin' on it  
Girl, I only end up pleasin' tonight  
You ain't gotta ask for nothin'  
Just as long as you can keep, you can keep it comin'

You've got it, girl, I cant wait to taste your hypnotic  
Girl, I wanna make a baby tonight  
You ain't gotta ask for nothin'  
Just as long as you can take it, I'mma keep it comin', na

Baby, 'cos I want it  
And when you bring it here, I'm jumpin' on it  
Girl, I only end up pleasin' tonight  
You ain't gotta ask for nothin'  
Just as long as you can keep, you can keep it comin'

You've got it, girl, I cant wait to taste your hypnotic  
Girl, I wanna make a baby tonight  
You ain't gotta ask for nothin'  
Just as long as you can take it, I'mma keep it comin', na
