Ooh, ooh
Ooh, ooh
Yeah, yeah, yeah, yeah
Whoa, whoa
Whoa, whoa yeah
Listen baby

Up in the place I see you getting down
Can't help but look at you gotta crowd around you
Now you're the baddest thing I've seen tonight
So come on girl let's put it in flight

I got the V-1-2, 6-4-0
Sitting outside of the door
So bring it on, by the way your body plays for
I like the little thing around your navel

It's a quarter past three
Girl, what's it gonna be?
Shorty got her eyes on me
We've been talking since two
Girl, what'cha gonna do?
Tell 'em that you're riding with me

It's a quarter past three
Girl, what's it gonna be?
Shorty got her eyes on me
You've been fronting since two
Girl, what'cha gonna do?
I'll be chillin' at the embassy, what

I'm watching you move, I stop to fantasize
About the way I'm gonna put it on that ass tonight
So come on and ride shotgun
I got the bubbles if you like it we can pop some

I see me and you, flossing in my coupe
Maybe we can peel back the roof and get it on
And I see your body's plays for
I like the little thing around your navel, baby

It's a quarter past three

Girl, what's it gonna be?
Shorty got her eyes on me
We've been talking since two
Girl, what'cha gonna do?
Tell 'em that you're riding with me

It's a quarter past three
Girl, what's it gonna be?
Shorty got her eyes on me
You've been fronting since two
Girl, what'cha gonna do?
I'll be chillin' at the embassy, what

All I know is I'm not leaving here alone, yeah
Now you might be the baddest in the club to me
But shorty's got it bad and wanna slide with me tonight
So what'cha gonna do?
(What'cha gonna do?)
Is it gonna be me and you?
You got to stop playing games
Girl, you got to stop faking me, ooh

It's a quarter past three
Girl, what's it gonna be?
Shorty got her eyes on me
We've been talking since two
Girl, what'cha gonna do?
Tell 'em that you're riding with me

It's a quarter past three
Girl, what's it gonna be?
Shorty got her eyes on me
You've been fronting since two
Girl, what'cha gonna do?
I'll be chillin' at the embassy, what

It's a quarter past three
Girl, what's it gonna be?
Shorty got her eyes on me
We've been talking since two
Girl, what'cha gonna do?
Tell 'em that you're riding with me

It's a quarter past three
Girl, what's it gonna be?
Shorty got her eyes on me
You've been fronting since two
Girl, what'cha gonna do?
I'll be chillin' at the embassy, what
