Uhh, what?
What's goin' on?
Yeah, uhh, what?
What's goin' on?

Seemed like everything was cool
Until you came home yesterday
And girl, you know I ain't nobody's fool
Yet you insist on treating me this way

And I can't believe after all that we've been through
You still think you can hide from me, yeah
See I know something's wrong with me and you
This ain't the way true love's supposed to be
Are you still feelin' me?

Am I still the one you love?
Why does it seem like something's changed
With you and me?
Oh, how I wish things were the way they used to be
I need to know if you still believe?
Do you still believe in love?

Is this really what you want?
Is there somewhere else you'd rather be?
Oh girl, why can't you just tell me the truth
Instead of playing all these games with me?
Are you still feelin' me?

Am I still the one you love?
Why does it seem like something's changed
With you and me?
Oh, how I wish things were the way they used to be
I need to know if you still believe?
Do you still believe?

Am I still the one you love?
Why does it seem like something's changed
With you and me?
Oh, how I wish things were the way they used to be
I need to know if you still believe?
Do you still believe in love?

What?
Uhh, what?
What's goin' on?
Oh, oh, oh
Hmm, Hmm

Am I still the one you love?
Why does it seem like something's changed
With you and me?
Oh, how I wish things were the way they used to be
I need to know if you still believe?
Do you still believe?

Am I still the one you love?
Why does it seem like something's changed
With you and me?
Oh, how I wish things were the way they used to be
I need to know if you still believe?
Do you still believe?

Am I still the one you love?
Why does it seem like something's changed
With you and me?
Oh, how I wish things were the way they used to be
I need to know if you still believe?
Do you still believe in love?

Can we get back to the lovin'?
Can we get back to the lovin'?
Yeah, yeah, yeah
What's goin' on?
Oh, oh, oh
Hmm, hmm
