"U Make Me Say"

(feat. Fat Joe)

Say hey ya... lalalala [x2]

[Verse 1:]

You don't even know me
But I been watchin' you for a while,
The way you move so slowly
Makes me want you here and now
Shorty don't you let me leave without your number,
I was hoping that your love could take me under.

[Bridge:]

Baby we can move just a little, groove just a little.
Two step a little bit.
Make you body move in the middle,
If you choose just a little.
Maybe I can get a little kiss.

[Chorus:]

Cause you make me say
i-e i-e i-e i-e i (ooo you make me say)
i-e i-e i-e i-e i (girl you make me say)
i-e i-e i-e i-e i (ooo you make me say)
i-e i-e i-e i-e i (I wish I could be ya guy)

[Verse 2:]

I see the way you movin', and I wanna talk to you.
Look at what your doin',
Can I take a walk with you?
Baby I don't wanna leave without your number.
And girl I wanna spend some time with you this
summer.

[Bridge:]

Baby we can move just a little, groove just a little.
Two step a little bit.
Make you body move in the middle,
If you choose just a little.
Maybe I can get a little kiss.

[Chorus:]

Cause you make me say
i-e i-e i-e i-e i (ooo you make me say)
i-e i-e i-e i-e i (girl you make me say)
i-e i-e i-e i-e i (ooo you make me say)
i-e i-e i-e i-e i (I wish i could be ya guy)

[Fat Joe:]

All ma ladies say hey ya (lala lala lala lala lala)

[Girl:] hey ya (lala lala lala lala lala)

And all ma fellas say hey ya (lala lala lala lala lala)

I see you jay. and all ma ladies say

[Girl:] hey ya (lala lala lala lala lala)

[Fat Joe and Donell:]

Let's get down to this,

pump this in you radio,

And turn the lights slow

Let me tell you how tonight goin' go.

Matta' fact let me show ya

You're beautiful, the way you look

God damn'it girl I adore you and...(oh yeah)

You heard Donell tell ya, the way you workin' it.

Girl you got me yellin' (yeah ooh ooohh)

Got your toes all curled up, ya burnin' up

Pre vay won't ever be da same,

Ever since you stepped in,

I was feelin' champagne (never the same whaoo)

Runnin' up the tab, you say I'm charter, I'm game.

Hear ma you keep makin' me say (you make me say

ooohh)

[Chorus:]

i-e i-e i-e i-e i (girl you make me say)

i-e i-e i-e i-e i (whao, ooo you make me say)

i-e i-e i-e i-e i (girl you make me say)

i-e i-e i-e i-e i (i wish i could be ya guy)
