[\*\*feat. Inessa\*\*]

[Chorus:]

Love sex take off your clothes what's next  
I know she want it, she gotta get it  
She all up on it I know she with it  
Love sex take off your clothes what's next

[Verse 1:]

Take your body out of them clothes cause it's hot in  
here  
We can make love on the floor cause I'm adventurous  
Dam I know you want it, I know you need it  
You hear me calling and I know you see me  
Cause I want sex from you, you already know  
If you give it up I'll treat it like a pot of gold  
I know you want me cause you really like me  
Anyway you wanna flow, come on entice me

[Chorus:]

Love sex take off your clothes what's next  
I know she want it, she gotta get it  
She all up on it I know she with it  
Love sex take off your clothes what's next

[Verse 2:]

Analyze you from head to toe girl that body sick  
Jeans so tight like they painted on, strike a pose for me  
Dam, you know I want it, you know I need it  
You hear me calling and I know you see me  
Cause I want sex from you, you already know  
If you give it up I'll treat it like a pot of gold  
I know you want me cause you really like me  
Anyway you wanna flow, come on entice me

[Bridge:]

You're so fly come on don't give me the blues  
Girl let's jump in this bed ain't nothing to lose  
Don't be hesitating I wanna blaze it

Undress after that you know what's next
