Baby what you want, things ain't the same no more  
I done closed the door cause I don't want you  
Had your turn  
Lesson learned  
Left me hurt  
Now it's your turn  
You can burn  
You can pack your stuff cause you know I caught you  
But you won't leave with much I'm gonna keep what I  
bought you  
Had your turn  
Lesson learned  
Left me hurt  
Now it's your turn  
You can burn  
Boy I'm finished gotta end this I'm in control  
Ain't no comin' back baby there goes the door  
Had your turn  
Lesson learned  
Left me hurt  
Now it's your turn  
You can burn  
Man it feels so good to see that you're lonely  
Cause I was faithful baby you were the only  
Had your turn  
Lesson learned  
Left me hurt  
Now it's your turn  
You can burn  
You done caught the vapors baby nothing can save ya  
Acting like you did nothing wrong here's your walking  
papers  
Had your turn  
Lesson learned  
Left me hurt  
Now it's your turn  
You can burn  
Boy I'm finished gotta end this I'm in control  
Ain't no comin' back baby there goes the door  
Had your turn  
Lesson learned  
Left me hurt

Now it's your turn  
You can burn  
You burning up you burning up you burning up  
You played the game and you lost  
You burning up you burning up you burning up  
Left me cold so I won't cool you off  
Had your turn  
Lesson learned  
Left me hurt  
Now it's your turn  
You can burn  
You can't have this love  
Because you didn't know how to treat it right  
Need a guy that I can trust  
Keep it moving cause it's over  
Said I'm giving up  
Don't need a little boy need a man in my life  
This is a new beginning but for you this is where it ends  
Boy I'm finished gotta end this I'm in control  
Ain't no comin' back baby there goes the door  
Had your turn  
Lesson learned  
Left me hurt  
Now it's your turn  
You can burn  
Boy I'm finished gotta end this I'm in control  
Ain't no comin' back baby there goes the door  
Had your turn  
Lesson learned  
Left me hurt  
Now it's your turn  
You can burn
