Out where the river broke  
The bloodhood and the desert oak  
Holden wracks and boiling diesels  
Steam in forty five degrees

The time has come  
To say fair's fair  
To pay the rent  
To pay our share  
The time has come  
A fact's a fact  
It belongs to them  
Let's give it back

How can we dance when our Earth is turning  
How do we sleep while our beds are burning  
How can we dance when our Earth is turning  
How do we sleep while our beds are burning

Fours wheels scare the cockatoos  
From Kintore east to Yuendumu  
The western desert lives and breathes  
In forty five degrees

The time has come  
To say fair's fair  
To pay the rent  
To pay our share  
The time has come  
A fact's a fact  
It belongs to them

Let's give it back

How can we dance when our Earth is turning  
How do we sleep while our beds are burning  
How can we dance when our Earth is turning  
How do we sleep while our beds are burning

One More Time

How can we dance when our Earth is turning

How do we sleep while our beds are burning  
How can we dance when our Earth is turning  
How do we sleep while our beds are burning

The time has come  
To say fair's fair  
To pay the rent  
To pay our share  
The time has come  
A fact's a fact  
It belongs to them  
Let's give it back

How can we dance when our Earth is turning  
How do we sleep while our beds are burning  
How can we dance when our Earth is turning  
How do we sleep while our beds are burning
